

PRESIDENT: Any further discussion of the motion.

SENATOR CARPENTER: I move for the adoption.

PRESIDENT: Now, Senator Whitney. We have before us Senator Carpenter's motion to LB 510 on select file.

SENATOR WHITNEY: Senator Carpenter, would he yield to a question?

PRESIDENT: Senator Carpenter, will you yield?

SENATOR CARPENTER: Certainly.

SENATOR WHITNEY: This is not necessary to make it mandatory to use the interest for that. It just depends on what the Legislature wants to do in the future, is that correct?

SENATOR CARPENTER: It authorizes them to spend it if they want to.

SENATOR WHITNEY: Okay.

SENATOR CARPENTER: And it also reappropriates the unexpended capital funds which we discussed some time this day. I move for the adoption.

PRESIDENT: Senator Barnett, do you wish to be heard on the motion? Okay. Senator Marvel. Are you up for the motion on 510? Is there any further discussion of the motion on LB 510? Question is shall the amendment be adopted as explained by Senator Carpenter, LB 510 on select file? All those in favor vote aye. All those opposed vote no. You are voting on Senator Carpenter's motion to LB 510 on select file. Thank you. Clerk will record.

CLERK: 29 ayes, no nays on motion to adopt.

PRESIDENT: Amendments are adopted. Now, Senator Cavanaugh, do you want to move the bill on? We'll switch on Lewis' microphone there. 510.

SENATOR CAVANAUGH: Mr. President, I move LB 510 as amended be advanced to E&R for Engrossing.

PRESIDENT: You've heard the motion to advance LB 510 as amended. All those in favor of the motion, please say aye. Those opposed say no. It is so ordered, the ayes, have it. The bill is advanced. Thank you, Senator Cavanaugh. Now, Senator Barnett, for what purpose do you rise?

SENATOR BARNETT: Mr. Chairman, I do have something that I think is important and should be taken care of. I've had a resolution up there for two days. It is necessary because the Lancaster County Commissioners are trying to negotiate with the Executive Board and I'd like to have this adopted by the Legislature if I could at this time.

PRESIDENT: Resolution number what?

SENATOR BARNETT: You got me, I don't have one--don't have one on here, been in the book for two days. It would only take a minute. I don't think there's any objection to it. It gives the power to Executive Board to negotiate with the Commissioners for land for our Lancaster County Detention Home, and I'd so move. Put it up there yesterday--yesterday.

CLERK: Mr. President, this is a resolution that was read into the Journal this morning.

SENATOR BARNETT: I gave it to Denny yesterday.
